# Hill Country Faith & Work Mentoring Cohort

**NEXT-GENERATION LEADERS BUILDING GOD'S KINGDOM**

## WHAT IS THE HILL COUNTRY FAITH & WORK MENTORING COHORT?

The Faith & Work Mentoring Cohort focuses on emerging leaders in Austin who desire to use their God-given gifts as they live out their faith in the workplace. Through deep growth of professional strengths and weaknesses, group discussion, panel interviews with faith-based leaders, and individual mentorship, these servant leaders are equipped to better navigate the unique leadership challenges in today's business sector.

## SOME QUESTIONS WE WILL TACKLE

- How do I seek Christ's leadership in everyday work decisions?
- How do I deal with the pull of the world for status, wealth, and life on my terms?
- How do I learn to delight in and enjoy the Lord, even during difficult times?
- The scriptures call us to be "salt and light." What does that even mean, especially in terms of my work?

## WHO ARE WE LOOKING FOR?

Emerging leaders in Austin (with three years of work experience) who are passionate about living out the gospel and transforming their communities as Christ-followers called to the marketplace. They have a growing spiritual walk with a desire to use their God-given gifts to represent Him well. These leaders are seeking a unique professional training program to develop their Christian worldview as light-bearers for Christ in Austin and beyond.
