

THE ROAD AHEAD

This year we begin the work to plant our Leander and Steiner Ranch locations into independent churches. We'll work alongside the growing leadership teams to provide support at every step.

Hill Country will also cast vision for people to join these new church plants.

There will be three opportunities to join:

1. October of 2024 we will call people to consider joining these new plants.

2. When a Lead Pastor is identified, we'll cast another call to join the plants.

3. When either church plant is ready for launch, we'll cast a final call to join the plant.

During October, would you pray about one of these options?

(Please check one of the following options.)

We're excited for a new work in Leander and Steiner Ranch. We commit to launch with that church when it's ready!

We're excited for a new work in Leander and Steiner Ranch. We commit to pray for them and continue attending Hill Country at the Lakeline location.

We're excited for a new work in Leander and Steiner Ranch. We'll pray throughout the preparation process to decide where God will put us best on mission.
